You can be one step closer to finding the relief you are looking for. Dealing with the symptoms of depression, PTSD, OCD, anxiety, and chronic pain can be hard. Starting today, it doesn't have to be.

Whether it's through Nutritional Infusions, Ketamine, or Therapy, we want you to Thrive.

- Intravenous Ketamine Infusion Therapy for the treatment of chronic pain and mood disorders including depression, anxiety, PTSD, migraine headaches, and CRPS.
- Intravenous hydration and vitamin therapy for stress and illness.
- Spravato (esketamine) nasal spray treatment center for treatment resistant depression.
- Individualized care in a relaxed and comfortable office setting.
- Multimodal treatment approach to improve mind, body, and spirit.
- In-office oral ketamine treatment.
- Ketamine-assisted psychotherapy and integration.
- Nutritional supplements.
